Agenda #2

**Agenda Action Report**  
*Prepared for the*  
**Cascade County Commission**

ITEM: Resolution 18-71 Emergency (2) Mills

INITIATED AND PRESENTED BY: John Stevens, DES Coordinator

ACTION REQUESTED: Approval Resolution #18-71

---

**BACKGROUND:**

On or about June 18, 2018, Cascade County experienced severe flooding that threatened the lives and property of residents and caused widespread damage to public and private property and resulted in a disaster declaration by Cascade County on July 5, 2018. Floodwaters have now receded and although the County has committed all available resources and taken all possible action to alleviate the situation, based upon estimated costs and expenses it appears that local resources are not adequate to repair the extensive damage to public infrastructure.

Montana law authorizes the governing body of the county, by unanimous vote, to levy emergency millage not to exceed 2 mills on the taxable value of the county outside the municipalities. Having considered the estimated costs and expenses necessary to repair the extensive damage to public infrastructure caused by the spring flooding disaster, imposition of the emergency millage not to exceed 2 mills on the taxable value of the county outside the municipalities is warranted for Fiscal Year 2018-2019.

**RECOMMENDATION:**

Approval of Resolution #18-71 appropriating two (2) mills to the Emergency Fund Number 2260.

**TWO MOTIONS PROVIDED FOR CONSIDERATION:**

**MOTION TO APPROVE:**

Madam Chair, I move that the Commissioners approve Resolution #18-71 appropriating two (2) mills to the Emergency Fund Number 2260.

**MOTION TO DISAPPROVE:**

Madam Chair, I move that the Commissioners disapprove Resolution #18-71 appropriating two (2) mills to the Emergency Fund Number 2260.

**NOW, THEREFORE BE IT RESOLVED**, that two (2) mills on the taxable valuation of the county outside the incorporated municipalities shall be levied for Fiscal Year 2019 into Emergency Fund Number 2260 for all necessary costs and expenditures related to restoring services and repairing facilities damaged by the flooding which began on June 18, 2018.
